Textile Exchange Accredited Certification Bodies as of November 9, 2011.

How to understand the list:

Textile Exchange sets the Organic Exchange Standards (see www.organicexchange.org) and it is this standard that must be used by accredited certification bodies in this list. The conditions for approval of certification bodies are available from the Textile Exchange web site.

The accredited certification body is the company or organisation whose name precedes the table.

Programme(s) covered by the accreditation: Textile Exchange accreditation can be for the following scopes;

- Organic Exchange 100 Standard
- Organic Exchange Blended Standard

Countries of operation: Countries in which the certification body has operators under their TE programme.

Year first accredited: Year in which the certification body was first granted TE accreditation.

Date of current contract: Year in which the current accreditation contract was granted.

Date of contract expiry: Year in which the current accreditation contract expires.

List of Textile Exchange Accredited Certification Bodies November 9, 2011
